Dear *Mahaveer*

**Sub :- Support for the implementation of the Red Ribbon Express Project in Rajasthan.**

It is to bring to your notice that Phase III of the Red Ribbon Express (RRE) is being implemented by NACO in partnership with Rajiv Gandhi Foundation as a multi sectoral project to spread awareness on HIV/AIDS and promote safe behavioral practices. The first & second phases of the project evoked overwhelming response.

The Phase III of the ambitious Red Ribbon Express project is proposed to be launched on the National Youth Day on January 12, 2012 from Delhi and will enter Rajasthan on January 15, 2012 for its 10-day journey across the five districts of the state including Sadulpur (Churu), Hanumangarh, Bhagat Ki Kothi (Jodhpur), Jaisalmer & Durgapura (Jaipur). The RRE will consist of seven coaches. Of these seven coaches, three are proposed to be for display of educational material, one for interactive orientation/discussions and one for counseling & provision for medical services.

As per the NACO guidelines, issued for the purpose, a District Level: Advisory & Coordination Committee has to be constituted under your chairmanship. CMHO will coordinate & assist. Therefore, it may be ensured that the meeting of the said committee be convened as soon as possible to discuss and carry out the assigned activities as per operational guideline.

District administration of the identified district is expected to lend every possible cooperation in ensuring the effective implementation of the Red Ribbon Express project, especially in arranging training batches for government officials and logistics.

Looking forward to your support for the same.
